

Changes for 2010 ISC Guidelines

Please download and print the current [Student Convention Guidelines](#). Make copies for students as needed.

Changes

Color Photography Plants and Animals – #333

This event has been divided into individual events. Students wishing to compete in this category can now choose between Color Photography Animals (#336) and Color Photography Plants (#337). Event #333 is no longer a valid event number.

Deletions

Drill Team – #460

This event has been eliminated from competition.

Additions

Group Bible Speaking – #629

This new event is a group event that schools will be excited to perform. Schools considering this competition can now view the [Group Bible Speaking instructional video](#) to see an illustration of this event.
